

# ADUOSMART ERIA

## USER MANUAL SMART SIREN

1. Insert the siren with the plug into an outlet.

2A. Download the Aduosmart App from the Apple App Store or from Google Play or go to <http://aduosmart.com/aduosmart-app/>

Android

IOS

2B. If you have a **third party ZigBee compatible hub** then **proceed to step 8.**

3. Open the Aduosmart Eria APP.

4. On the bottom right corner press on "Settings".

5. Select "Devices".

6. On the top right corner press on the "+" symbol then press on "Add device".

7. Press on "Sirens".

8. Use the included pin to press the button that is located behind the safety hole. The light will slowly flash continuously for **60 seconds**. (Device is in pairing mode)

B. If you have a **third party hub**, then this is the moment to **initiate the search from your Smart Home hub app**.

9. Proceed by pressing on "Search" to allow the Aduosmart ERIA hub to find the siren, the LED indicator on the hub will **flash green** this indicates that the hub is searching for devices.

10. When the siren has been found and paired successfully the siren will stop flashing and it will show up in your search results, press on "Done" to complete the process.

### LED FUNCTION TABLE
